Abstract for EMAC Thesis

For the EMAC thesis project you need to write a 350-word abstract. Be sure to cover the following points:

- Describe the audience for the work.

- Discuss the objectives.

- Show how text, sound, images, animation, video, and/or graphic design support the objectives.

- Refer to the images on the CD in the abstract.

You must also write a 50-word abstract and include 3-5 keywords for the library database.

The staff at the Center for Communication Practices is available to review your work. Be sure to visit the Center early so you have time to make revisions before the submission deadline.
